4C

## FIREFLY

70F

4C Firefly 70F is a long bodied cow with a great udder and perfect set of feet and legs. The strength in the cow family shines through the progeny breeding consistently, structurally sound, docile, fertile cattle loaded with maternal attributes that will perform across multiple markets.

## Six Star SPG BOJANGLES

Q100

Bojangles is a striking individual, loaded with real meat and thickness and with a pedigree dripping with greatness and an especially reliant maternal side. One of the first Hawkeye 444E sons born in Australia, he displays smoothness of muscle and outstanding soundness, with incredible feet and leg structure - he is all class.

Q100 was shown once only at BEEF AUSTRALIA 2021, Rockhampton, where he was awarded FIRST in Class.
